## L. & N. ORGANIZES IT'S OWN SHOP UNION

(By Associated Press)  
Louisville, Ky., Oct. 5.—Delegates representing 12,000 Louisville and Nashville railroad shopmen were here today to form an association of Maintenance of Equipment employees and deal with the railroad with reference to working conditions and wage. The organization has the sanction of the company. All the shop crafts are represented. Officials of the road said today they considered the recent strike at an end as far as the Louisville and Nashville is concerned.

### Agreement Signed

(By Associated Press)  
Washington, Oct. 5.—Railroads of the southeastern section of the United States and the brotherhood organizations, conductors and trainmen today signed an agreement settling all outstanding differences between them and extending the present wage agreement approximately a year.

### B. & O. Signs Up

(By Associated Press)  
Cleveland, Oct. 5.—The entire Baltimore and Ohio railroad system signed an agreement with the trainmen and conductors' brotherhoods' extending the present wage and working agreement for one year, it was announced at the brotherhood headquarters here today.

### Richmond National Guard Company To Hear Gen. Ellis

Maj. O. F. Hume has arranged a treat for his company. He will take as his guests his entire company to hear Gen. Ellis. All members of the outfit must have on their uniforms and be at the armory by 7:30 Friday evening. He is very anxious to have all men present that can possibly come.

### Giants Are Chesty

(By Associated Press)  
Polo Grounds, Oct. 5.—Robert Shawkey, of the New York Yankees, faced the Giants this afternoon in the second of the world's series. The National Leaguers having won the initial tilt, the Yankees sent Shawkey to the mound to battle the Giants with his mystifying hooks and fast ball. Jess Barnes stood ready to take up the Giants' burden in the box. The Giants, coming on the field, as the visiting club, believe they have the series as good as won.

The game was called in the tenth inning on account of darkness after the teams had battled to a tie. Final score: Yankees . . . 100 100 010 0—3 8 0  
Giants . . . 000 300 000 0—3 8 1  
Batteries: Yankees Shawkey and Schang; Giants Barnes and Snyder.

### Tandy Ellis Friday Night

Everybody's going to see Tandy Ellis with his entertainment for the disabled soldiers at the court house Friday evening. Gen. Ellis has a laugh every minute and is an entertainer par excellence. He's here to help a worthy cause, too.

## Legion Post Is Ready To Bear Arms Against Turks

Louisville, Ky., Oct. 5.—Sixteen hundred members of Jefferson post of the American Legion in a resolution calling upon President Harding to take action against Turkey, because of "persistent and flagrant violations of the international code and humane ethics," pledged themselves to join armed forces of the country in the event that American intervention should become necessary.

## FIRST CUT WEED IS CURING RAPIDLY

The U. S. Department of Agriculture's summary of weather and crop conditions for the past week as issued from the weather bureau, at Louisville, is as follows:

High temperature during the most of the week hastened maturity of late tobacco and corn; but caused such rapid drying of the soil that there was little improvement in condition. Cutting of both crops proceeded rapidly. Most tobacco in the southern counties has been cut, but considerable burley is still in the field.

The long period of dry, warm weather has caused the first cutting of tobacco to cure rapidly, with a good color and without damage from sweating. Some of it is about ready to strip. Early corn in shock is well dried out and some is dry enough to crib. The week was too hot and dry for late potatoes which range in condition from poor to fair in most localities. In most of the crop the plants are still green, but are small and are not doing well. Some of the earliest planting are being dug with light yields. The weather was favorable for completing the harvest of cowpeas and alfalfa hay and for filling silos. The few scattered showers reached only a small area and plowing is being seriously delayed by dry soil.

What seeding has been done, mostly of cover crops, has been accomplished under unsatisfactory conditions as to drilling and germination. But little wheat has been sown. Pastures continue poor in most localities having lost most that was gained from the recent rains. Except plowing and seeding, which await rain, farm work is well advanced. Conditions were favorable for gathering and marketing fruit.

## To Spend All He Has For An Artificial Leg

Elizabethtown, Ky., Oct. 5.—Louis Adrian Brown sues the First National Bank, his guardian, asking that the bank be directed to expend \$150 for an artificial leg. His total account with the bank is \$4.05 more than the leg will cost.

## Officers On Duty At Corbin Are Withdrawn

Frankfort, Ky., Oct. 5.—Orders were issued by Adjutant General Jackson Morris for the withdrawal of the four officers who have been on observation duty at Corbin, since the walkout of railroad shopmen last July. Reports from Corbin were to the effect that the situation was thoroughly in control.

## Twenty-Eight Per Cent Dividend Is Declared

Henderson, Ky., Oct. 5.—The largest dividend ever announced by a bank in Henderson county has been declared by the Corydon Deposit Bank, which, in addition to the regular 8 per cent declared an additional 20 per cent dividend.

## MURDERED PARSON HAD LOTS OF JACK

(By Associated Press)

New Brunswick, N. J., Oct. 5.—Authorities seeking to unravel the mystery surrounding the murders of Rev. Edward Hall and Mrs. Eleanor Mills, choir leader in his church, learned today that the minister had \$40,000 in negotiable securities in a safety deposit vault on the day he died. These were not reported when the box was first opened. It was stated at that time that the authorities scouted stories of the proposed elopement with Mrs. Mills because he had no funds.

## MANY DROWNED ESCAPING FIRE

(By Associated Press)

North Bay, Ont., Oct. 5.—Forest fire refugees arriving here today from Haileybury, reported between 50 and 100 persons drowned when they crowded from the dock where they were trying to board a rescue ship.

## COAL DEALERS SEE BUYERS' STRIKE

(By Associated Press)

Frankfort, Ky., Oct. 5.—Kentucky retail coal dealers are fighting the buyers' strike, according to R. A. Watson, of Louisville, president of the Kentucky Retail Coal Dealers' Association which met here today. He said the consumers are refusing to buy coal at the prevailing prices and dealers are not able to lower the prices as long as coal costs as much as it does now at the mine. Governor Morrow, however, in addressing the meeting, said the present high coal prices are due to abnormal demand. He asserted that when the coal car supply is increased prices are "bound to come down." If prices are "not lowered," said the governor, when the car supply is increased "then something must be done."

## TURK CAVALRY IN NEUTRAL ZONE

(By Associated Press)

Constantinople, Oct. 5.—British headquarters reports the appearance of Turkish Nationalist cavalry at Kandra in the Constantinople neutral zone.

## TOBACCO MEN CHARGED UNFAIR

(By Associated Press)

Washington, Oct. 5.—The Federal Trade Commission today formally charged the American Tobacco Company and nine Chattanooga wholesale tobacco dealers with unfair methods of competition in maintaining resale prices of tobacco. The respondents were given 30 days in which to answer.

## EDITORIALS

One of Mr. Wilson's friends says that "Tumulty is a dead issue." The Tumulty and the shouting dies.

It is to be hoped that "the next war" in Europe can be delayed long enough for all the premiers, chancellors and ex-emperors to write their memoirs of the last war.

The strikes, it is said, cost the public two billion dollars; the soldiers' bonus is estimated to cost us seven billions; and the Democrats say the new tariff will cost another three billions. At this rate it won't be long until our national anthem is "Our country, 'tis of thee, sweet land of penury."

### "Our Awful Aunt"

At Union City High School Friday evening 7:30, October 6. Given by the Red House Graded School. Admission 15c and 25c. 236 2t.

## Fell A Foot And Died

By A. P.

Winchester, Ky., Oct. 5.—William Caylor, 20, an employee of the Kentucky Flooring Company, fell from a box one foot high at the plant here today and fractured his skull and died in 30 minutes.

## Kaiser and Bride

Here's the latest picture of Wilhelm von Hohenzollern, former German emperor, and Princess Kriemhild Schoenbach, Princess of Bismarck, whom he will wed in November. Notice that Wilhelm has abandoned the military mustache and that his beard has grown shaggy and unkempt. The princess is 35, a widow and mother of five children.

### Band Concert Friday

The American Legion Band will be heard in concert at the band stand Friday evening, beginning at 7:30. Sam Deatherage will sing.

## Jennie Gets a Shave

Though she's a lady elephant, Jennie is shaved regularly by George Power, her trainer, in a New York theater. The razor is four feet wide, the shaving brush a foot long—and a nail serves as shaving mug.

## EASTERN GIRLS SEE CHAMPIONSHIP

With girls coming to the Eastern Kentucky State Normal School from all parts of Eastern Kentucky, who really know that game called "basketball" it is being whispered everywhere that things are pointing toward "championship." The girls' basketball team at Eastern is only in its third year but material for a winning team is so good it is believed the dark horse of two seasons will come to the limelight and for distinctive notice, too. Practice will begin Tuesday afternoon and Miss Katherine Hammond, head of the Physical Education department for women and coach, will schedule games just as soon as possible.

Twenty-five girls were out for physical examination Thursday afternoon. Miss Glenna Wood, captain of the Ashland "Kittens," who won the state championship at the meet held in Lexington at the close of the season in 1922, is at Eastern and ready to play forward again on the championship team. With her is Miss Margaret Barber, who played guard with the "Kittens" last season. Both girls have speed, accuracy and five years of experience with three years on the first team. Miss Margaret Crockett, guard of the Sardis Hi team of last year, which was defeated only by Ashland in the state meet, is now anxious to begin to practice with the girls who helped take the championship cup away from her. Miss Marshall Fowler and Miss Kate Huff are two others from Sardis who are promising material.

Miss Dorothy Terrill, with two years' experience on the Madison Hi team as guard, will undoubtedly secure herself a place on the first team although opposition for all positions will be strong. Miss Carolyn Rice, although not having as much experience as some of the others, is a local girl who will prove valuable later in the season.

Everyone is expecting to see some fine work from Miss Sara Bright, who had two years on Stanford Hi team. Miss Edna Rankin, of Cumberland College five, is at Eastern and ready to do as good work on this team as she did for Cumberland. Many of the others will demand notice when practice and real work begin.

## Non-Stop Flight Abandoned

(By Associated Press)  
San Diego, Oct. 5.—Lieutenant John A. MacReady and Oakley Kelley, army aviators, took off early today in an attempt to fly from Rockwell Field, San Diego, to New York without a stop. Because of a heavy fog the monoplane returned to the city and the aviators announced the proposed non-stop flight was abandoned. Instead they will try for a new endurance record.

## The Weather

Fair tonight and Friday; little change in temperature.

## Thursday's Livestock Markets

Cincinnati, Oct. 5.—Hogs 5300, heavies and packers \$9.75; mediums \$9.50; lights \$9.25; pigs \$8.75; sows \$8.25; stags \$6.50; 1500 cattle, slow; calves \$6 to \$12.50; sheep \$4 to \$6.50; lambs \$5.50 to \$14. Chicago 23,000 \$10; 13,000 cattle.

Louisville, Oct. 5.—Cattle 700, slow and unchanged; hogs 1300, 10c to 25c lower, tops \$9.50; sheep 100, strong and unchanged.

## EASTERN TO PLAY TRANSY FRESHMAN

The Eastern Kentucky State Normal School football team under Coach George Hembree is doing fine work every afternoon this week to be in readiness to meet the Freshmen team from Transylvania College. They will meet on the local field Saturday afternoon at 3 o'clock. It is reported that the Freshmen team is stronger than Transylvania's first team has been in some past years and will afford a lively contest for many colleges throughout the state this season. This team has made such a good impression that a special coach has been secured for it. To have a special coach for the first year team is something new at Transy.

Coach Hembree will use practically the same line-up as was used Saturday against the Wesleyan team but all men are in much better condition. This is the Freshmen's first game but they are expected to put up a contest of interest. Coach Hembree stated that his new men were especially good last Saturday and he expects them to do some good team work in the coming game.

Word, who has been in a military school for the past three years, will be used as guard in Saturday's game. He will probably replace Triplett. Covington developed the "charley horse" in the last game and has been out this week, and may not be in the game. Mainous probably will replace him at end. The back field will be the same as against Wesleyan.

If the Freshmen prove easy, Coach Hembree will try out the entire squad to locate his material which will meet the Freshies from the University of Kentucky on the local field Saturday, Oct. 14.

Numbers have been given each man and everyone can be identified as follows:  
Harris; 2 Elam; 3 Stone; 4 Tipton; 5 Word; 6 Powell; 7 Brown; 8 Flannery; 9 Moberly; 10 Holt; 11 Potter; 12 Jayne; 13 Hurst; 14 Long; 15 Triplett; 16 Norton; 17 Covington; 18 Stephenson, Capt.; 19 Farmer; 20 Mainous; 21 Spencer; 22 Carr; 23 Jennings; 24 Baker.

Rev. R. J. Pirkley, pastor of the Broadway Baptist church, scored the Harding administration for its sympathies with the Turkish massacre of Christians. A commission from the British government will sail for the United States during the middle of this month to pay or refund the war debt of four billion dollars.

## Not Our Joe Kelly

It was Joe Kelly from the country not Joe Kelly from the town who was convicted of violating the prohibition laws in circuit court Tuesday. Friends of the town Joe Kelly have been "razzing" him considerably, but he's taking it good naturedly.

## Cover Crops

If the cover crop hasn't been seeded in September this in the month for it to be done. Rye seems to be one of the best crops for this section of the state and now is a good time to seed it.

Rockcastle and Madison Counties should seed thousands of acres to this crop this month. It's money to the farmer who sows. This crop keeps land from washing, furnishes grazing in the fall and spring and adds much humus to the soil when turned under.

We must maintain our soil fertility by taking care of the soil now.

## School and Agricultural Fair.

On the account of a number of meetings and other things the School and Agricultural Fair dates had to be changed, as published last week. The dates now set, which will not be changed, are November 2, 3 and 4. The premium list is now ready for distribution. Copies may be had at the County Agent's office and the Citizen office.

We invite people to make exhibits in all departments. We have a splendid premium list and should have a splendid fair. All of the schools of Southern Madison County are going to take a part. This is one of the many features of the fair, and every teacher should make entries in the School Department and also have school present on November 3.

## Assistant County Agent

County Agent Spence announces that O. R. Carrithers is now the Assistant County Agent. Mr. Carrithers is a man who has the farmers work at heart and is ready to serve and assist in promoting better homes, better farms, better live stock, better poultry, better schools, better churches and better roads.

Mr. Carrithers went to work October 2, by visiting clubs and schools and getting ready for our School and Agricultural Fair.

## Poultry Meeting

### Shoots Unarmed Brother

To Death Is Charge

Monticello, Ky., Oct. 5.—At Mill Springs Robert Docker, 46, killed his brother, Jake, it is alleged by shooting him four times with a shotgun loaded with buck shot. Jake had been living on Bob's place and had recently moved away and Bob claimed he took some property which belonged to him. Jake was standing in his yard and Bob in the road about 25 feet away when the shooting began. Jake was unarmed, witnesses say.

Americans have bought in Germany many marks which amounted to something like \$904,000,000 and sustained a loss equal to what

the Civil War cost and equal to the first payment of the German war indemnity.

## Broadway Foresees Season of Many Revivals

### Old Songs, Old Plays, Old Stars to Delight New York Audiences

New York City.—The wise acres are predicting a season of revivals for the Great White Way. Old plays are being brought out of the storehouse and dusted off for representation or for conversion into the movies.

Even old stars are reported to be grooming up the roles in which they first won popular favor. From intense modernism the tide is turning back to the old fashion.

France Starr's new play "Shore Leave" is not a revival, but it includes a resurrection that draws applause every night from blasé Manhattan audiences.

Miss Starr enacts the sweetheart of a sailor, and in the intervals of waiting for him to come back to her she sings persistently—

"Round her neck she wears a yellow ribbon."

She wears it for her lover who is far, far away.

Nobody ever knows how much more of the old war melody she sings, because each night reminiscent enthusiasm drowns her out.

And the swinging, irresistible tune, so old that it's now new, has caught the fancy of the younger generation as well as the older.

*Studebaker*

## Let Us Show You the Difference!

Vibration is destructive. It shortens the life of a car. It takes the pleasure out of riding because it causes rattles, squeaks and other irritating noises.

Vibration is particularly annoying in closed cars.

There is no perceptible period of vibration in the Studebaker Light-Six at any speed. This is due in part to Studebaker's method of machining the crankshaft and connecting rods on all surfaces. No other car, at anywhere near the price, follows this practice.

Lack of vibration and the quiet, smooth-running motor find quick approval from everyone who rides in the Light-Six Sedan.

And every driver is similarly enthusiastic over the way it throttles down to a walking gait in high gear—and the quick response that follows the touch of the accelerator.

Aside from its mechanical excellence, the Light-Six Sedan is notable for its sterling coach work. The substantial body, like the chassis, is built complete in Studebaker plants. Materials and workmanship are of highest grade.

Long, semi-elliptic springs and deep, restful, nine-inch cushions afford genuine comfort. Upholstery is of a rich, mohair velvet plush—good-looking and durable.

Today's price is the lowest at which the Light-Six Sedan has ever been sold. The name Studebaker on your car is the best protection you can have!

**AILING WOMEN  
OF MIDDLE AGE**

**Mrs. Linton Tells How Helpful  
Lydia E. Pinkham's Vegetable  
Compound is at This Period**

Denver, Colorado.—"I have taken Lydia E. Pinkham's Vegetable Compound for several years and I cannot tell you the good it has done me. It is good for young and old and I always keep a bottle of it in the house, for I am at that time of life when it calls for Lydia E. Pinkham's help. My husband saw your ad. in the papers and said 'You have taken everything you can think of, now I want you to take Lydia E. Pinkham's Vegetable Compound.' So I let him get it, and I soon felt better and he told me 'I want you to take about six bottles.' So I did and I keep house and do all my own work and work out by the day and feel fine now. I tell every one about the Vegetable Compound, for so many of my friends thought I would not get well."—Mrs. R. J. LINTON, 1850 West 33d Avenue, Denver, Colorado.

After reading letters like the above, and we are constantly publishing them, why should any woman hesitate to take Lydia E. Pinkham's Vegetable Compound if she is in need of help? It brings relief where other medicines fail.

evening, when Rev. Chandler said the ceremony uniting the hands and hearts of Miss Lena Rose, of Paris, and Dr. Louis Edgar Kidwell, of Richmond.

The young people managed to keep their intentions a profound secret, and, accompanied by Mr. and Mrs. Claude Redmon Jr., of

Paris, motored Saturday to Lexington for the ceremony.

The bride was becomingly attired in a handsome brown suit, with hat to match. She is a daughter of Mr. and Mrs. Geo. Rose, of Paris, and a sister of Miss Carrie Rose, of Huntington, W. Va. She is a graduate

of the Paris High School and was a member of the girls' basketball team of that institution. For two years she has been bookkeeper of the Paris branch of the A. F. Wheeler Furniture Company, where she was highly esteemed for her ability and efficiency.

Dr. Kidwell is a former resident of Bourbon county, having for a time resided at Little Rock. He is a son of Rev. and Mrs. E. K. Kidwell, of Ewing. He served overseas during the war and on his return to America took up the study of chiropractic, graduating with high honors at the Palmer School of Chiropractic in Davenport, Iowa. On his return to Kentucky he opened an office in Richmond where he established a successful practice.

After the ceremony Dr. and Mrs. Kidwell left for an eastern wedding trip. On their return they will be "at home" in Richmond to their friends.

Announcements worded as follows have been issued to friends

**BE PRETTY! TURN  
GRAY HAIR DARK**

Try Grandmother's Old Favorite  
Recipe of Sage Tea  
and Sulphur

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound" you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

**Facts  
About Child-Birth**

An eminent physician has shown to thousands of expectant mothers just how to be free from dread, and from much of the suffering which many mothers experience for months, right up to the moment when the little one arrives!

Mrs. Wm. Washington, 107 Louise Ave., Nashville, Tenn., says: "There is nothing to woman on earth that would be without Mother's Friend during expectancy if she only knew the value of comfort."

"Mother's Friend" is externally applied to the region of the abdomen, back and hips. It relieves the tension on nerves and ligaments as month follows month. Finally, it makes childbirth a joy instead of a painful dread.

Use "Mother's Friend" as our mothers and grandmothers did. Don't wait until today, and meanwhile write to Bradfield Regulator Co., P. O. Box 47, Atlanta, Ga., for a free wonderful book containing information every expectant mother should have. Get a bottle of "Mother's Friend" today. It is sold by all druggists—everywhere.

**GOOD SOAP FOR LESS  
THAN TWO CENTS A POUND**

**Make It At Home By This  
Easy Process—Takes Less  
Than 30 Minutes.**

Nowadays, more and more women are doing as their mothers did and are making their own soap. If you have never tried it, you will be surprised to see how easy it is to make good soap, soft soap, hard soap or floating soap, just by using kitchen scraps and waste grease together with a can of Merry War Lye, the safe and sure soapmaker. In the old days when soap was made by the boiling process it took nearly all day to make a kettle of soap. Now it is hardly any work at all—requires no boiling—takes less than 30 minutes. Saves you money and gives you all the pure, clean soap you need for kitchen, laundry and all household purposes. You will find simple directions for soapmaking on the label of every can of Merry War Lye—also many other recipes such as how to make lye hominy, how to soften water, how to make clothes washing easy, how to brighten cooking utensils, etc. Merry War Powdered Lye is also a wonderful cleaner and purifier for use about the home, barn, chicken house and outhouses. Comes in a convenient can with revolving sifting top that cannot come off, cannot get lost, recloses tightly and preserves contents. It is economical to buy and easy to use. Ask your dealer for Merry War Lye—be sure you get "Merry War"—the lye that has made good for 33 years.

### AUCTION SALE

Of Pure Bred Big Type Poland China Swine. I will on **Saturday, October 7, 1922** at 2 o'clock, rain or shine, at the East End Stock Yards, at Richmond Ky., offer at public auction 22 head of pure bred Big Type Poland China hogs, consisting of eleven boars and eleven gilts, weighing about 200 pounds.

Farmers, this is your opportunity to get a good boar to use on that bunch of grade sows. Buy these boars, take them home, breed your sows. If you don't care to keep him any longer, castrate him and put him in the feed pens. You will see a difference in your spring crop of pigs.

Buy some of these nice gilts and start a pure bred herd. Hogs are getting higher every day and now is the time to raise them while feed is cheap and hogs are high.

These hogs have all had the double treatment and should be cholera immune. Pedigrees will be furnished day of sale. Don't forget the place and hour.

## Increasing the Value of Your New Automobile

The value of every automobile is the same at the factory. Before it is delivered to its new owner, it is only a wonderful machine representing material and workmanship skillfully combined.

When you get it, the new car represents so many miles of transportation. Its real value to you depends upon its performance in your hands.

The business of a modern automobile dealer is not merely to sell you a car, but to see that the car does what you expect of it. You can always estimate the performance value of any car by measuring the responsibility of the local dealer who sells it to you.

We are constantly increasing our service facilities for car owners so as to give an ever-increasing performance value to the inherent goodness of the Dodge Brothers cars we sell.

# 19 Year Record for Pee Gee Mastic Paint

Down in Eatonton, Georgia, you'll find real proof of the splendid wearing qualities of Pee Gee Mastic Paint. It was used there some nineteen years ago on the home of Mrs. T. G. Green, who writes the following letter:

"My house was painted with Pee Gee Mastic Paint nineteen years ago, and I want you to estimate what will be needed to go over it again. The house is in splendid condition although such a long time has elapsed since it was last painted. One room in which Pee Gee Flatcoat was used nearly twelve years ago is in good condition still, but I want it freshened up."

The great durability of Pee Gee Mastic Paint is due to its 50% of Zinc content ground in pure Linseed Oil and White Lead, making it a Double Pigment Paint.

Pee Gee Mastic Paint produces a tile-like film, which successfully resists the elements, does not crack, peel or chalk off.

The high zinc content gives Pee Gee Mastic Paint its unusual covering and wearing capacity. It is by far the most economical paint you can use.

For interior walls and ceiling, use Pee Gee Flatcoat, the modern, sanitary, durable, flat oil finish. Comes in 24 deep, rich velvety colors.

For lasting results and best protection specify
